# HOW DOES THE PARKING BADGE WORK?

## The parking badge

It enables residents, shopkeepers and companies to park in blue zones without time restriction (except on police order), near their home or workplace.

## Who is entitled to a parking badge?

Residents may buy **one parking badge for each vehicle with a Geneva registration plate**, that is registered in their name and at their address, provided that they do not own or rent a parking space within their residential zone and adjacent zones.

Companies registered in the sector may buy a **maximum of two parking badges**, provided that the use of the vehicles for professional purposes is justified.

## The blue zones

They indicate time restricted parking. They are intended for visitors who may park by displaying the parking disc indicating their time of arrival (from 8am to 7pm).

## Where to use the parking badge

The parking badge may be used in the blue badge zones 30A, B or C indicated by a display similar to the one shown below.
