HOW DOES THE PARKING BADGE WORK?

The parking badge

It enables residents, shopkeepers and companies to park in blue zones without time restriction (except on police order), near their home or workplace.

Who is entitled to a parking badge?

Residents may buy **one parking badge for each vehicle with a Geneva registration plate**, that is registered in their name and at their address, provided that they do not own or rent a parking space within their residential zone and adjacent zones.

Companies registered in the sector may buy a **maximum of two parking badges**, provided that the use of the vehicles for professional purposes is justified.

The blue zones

They indicate time restricted parking. They are intended for visitors who may park by displaying the parking disc indicating their time of arrival (from 8am to 7pm).

Where to use the parking badge

The parking badge may be used in the blue badge zone **43B** indicated by a display similar to the one shown below.

The parking badge **may not be used** in blue zones indicated by a display as shown below, **or in other blue badge zones**, or conventional parking zones.
